

Manzoor G.K. Ishani

FRANCHISING

The key to rapid business growth

Foreword by Sir Bernard Ingham

Essential reading for anyone hoping to expand a business through business format franchising, or inject life into an existing franchise

Published by
The Choir Press

544 pages; 39 chapters
including sample contracts

ISBN 978-1-911589-71-6

£120.00 including P & P

Regardless of your level of experience, this book will help you with every aspect of franchising: calculating costs, finding franchisees, addressing legal issues, avoiding pitfalls, expanding overseas and more. The inclusion of some template franchise agreements is an added bonus. Franchising demands forethought and hard work, but the rewards, if the franchisor is prepared and determined, can be phenomenal. Manzoor Ishani uses his immense experience to present a clear picture of what franchising is, how it works and the many points a prospective franchisor will need to consider.

Available from booksellers including Amazon and Bookdepository or **direct from the publisher.**
